Agenda:

- Background iodine nutrition programmes
- Monitoring salt iodization and iodine status
- Recommended changes in monitoring programme performance and impact
- Questions and answers

Speakers:

- Mawuli Sablah (UNICEF HQ, Nutrition Specialist)
- Jonathan Gorstein (Iodine Global Network, Executive Director)
- Roland Kupka (UNICEF HQ, Senior Adviser)
- Arnold Timmer (IGN Senior Adviser and moderator)

The objective of the webinar is to disseminate the new Programme Guidance on monitoring of national salt iodization programmes and iodine status to programme managers and other national and international stakeholders involved in iodine nutrition and salt iodization programmes. The webinar is based on the recommendations published by UNICEF in 2018 “Guidance on the Monitoring of Salt Iodization Programmes and Determination of Population Iodine Status.”

Please share this invitation with your colleagues or anyone who may be interested in participating in the webinar.
